

The Wimborne Drama Club has been in existence since November 1928, and has been active ever since, with, of course, the exception of the period during World War 11. It has had during its time a very chequered and interesting career, and, indeed, many of the problems which beset those early founders of the Club can be said to exist today.

Generally speaking, the Club produces two full length plays each year, during the Spring and Autumn. We have staged our plays at the old W.I. Hall (since demolished), the Church House and now at the Allendale Community Centre.

The Club in fact very recently took another big step forward and now have their new headquarters in the Allendale Community Centre and intend to meet more regularly and to hold several social events. Already we have had two very successful 'skittles' evenings.

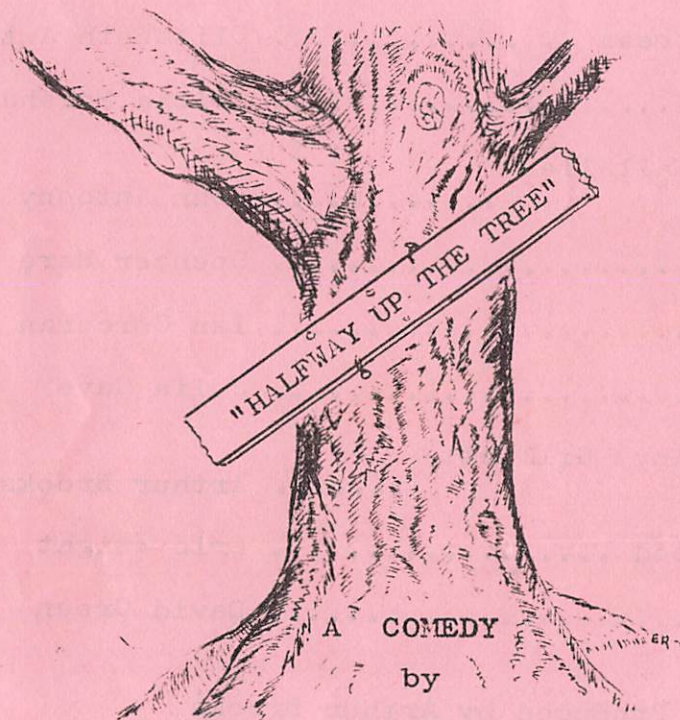

If you are interested in joining our Club, please contact our Secretary or any of the Members. As well as those with a desire to act, we are also pleased to welcome prospective Members with an interest in the Back-stage Arts.

The annual subscription is £2 and entitles each Member to a free ticket to one performance of each production.
