The Society has now completed its first season. Founded in September, 1932, it has produced three plays, and had the privilege of raising a quite appreciable sum for local causes. Its activities have also included the holding of three "At Homes," which, we believe, have afforded pleasure and interest to members and their friends. At these "At Homes" more than a dozen One Act plays have been presented and at least two of them have been of an experimental and pioneer nature. Additionally, six evenings have been devoted to play readings.

It is hoped to resume activities in the Autumn, and membership for the next Season then beginning is invited. The Secretary of the Society is R. Wright, Esq., 23, Poole Road, and the Assistant Secretary, Miss H. H. Hewett, Hidden House, West Street.

Director of Plays : LEONARD H. MOTTRAM
