**W**elcome to Mr Macaroni's Pizza Pie Palace where you may expect the unexpected to happen!

This will depend both on you, our clients, and on us, the magic makers. We have had lots of fun preparing this pie and we hope you will enjoy sampling it.

We took a fair whack of hard work, mixed it with several large spoonfuls of invention and humour, speed with a good measure of girls, music and expertise, and added a dash of panic now and then, giving it a crisp edge. Our ingredients range from the well-tried-and-tested to a number of new ones which bring fresh flavours and sparkle to the mixture. It has been well prepared, stirred and baked in a hot - and sometimes cool - rehearsal-room oven until cooked and risen to the peak of perfection.

We dish it up, frothy and airy, for you to enjoy, so be ready to tuck in, join in and have a great time!

I want to thank all the people whether deeply in, or on the edge of, this kitchen who have contributed so much to this great pre-Christmas cook-up.
